

# Andrea Campagna

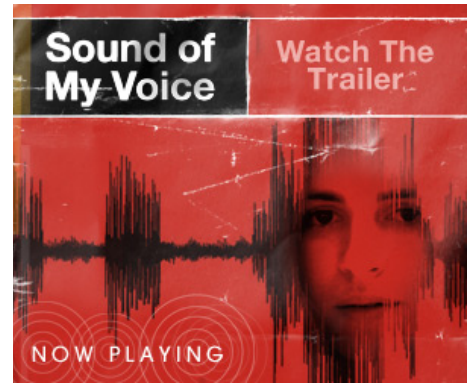

## ACTIVE DISCUSSIONS / NEWEST POSTS

**PRAISING MARK LEE** This morning, *WWD* posted an epic tale about how great of a job **Mark Lee** is doing at sprucing up the men's department at **Barneys**, and our NY site summed up the tome. New labels offered include **Andrea Campagna** and **Piombo**, and to celebrate the arrival of the latter, the Barneys windows will feature the brand's signature yellow color and will look like "sort of a tiny forest."
